

**Table 1. List of Objectives and Actions**

<b>Objective</b>	<b>Action</b>
Objective 1: Achieve the inclusion of all healthcare centers of the Andalusian Public Health System (SSPA) and community pharmacies in the Andalusian Network of Health Services and Smoke-Free Spaces (RASSELH).	Action 1: Include the level of accreditation achieved in RASSELH as a necessary quality criterion for accreditation levels in the standards of the Andalusian Health Quality Agency.
Objective 2: Monitor compliance with current regulations regarding Environmental Tobacco Smoke.	Action 1: Audit the interior and exterior of smoke-free public spaces. Action 2: Manage non-compliance in tobacco matters by developing a sanctions procedure for citizens or professionals who do not comply with current regulations. Action 3: Exterior and interior signage of buildings and spaces within the SSPA. Action 4: Include in the employment contracts of healthcare centers of the SSPA and subcontractors, regarding the obligation to comply with the standard of smoke-free healthcare spaces. Action 5: Conduct inspections on tobacco matters in different sectors (hospitality, health and non-health establishments, ...) Action 6: Consensus on the procedure of sanctions by the Territorial Delegations of Equality, Health and Social Policies
Objective 3: Reduce exposure to secondhand smoke in private places (homes, vehicles, ...)	Action 1: Sensitization campaigns from public communication media
Objective 4: Promote policies for smoke-free environments for tobacco products (both traditional and new) and aerosols generated by Nicotine-able to deliver devices	Action 1: Promote the inclusion of civil society organizations in the fight against tobacco in the RASSELH Action 2: Carry out the "smoke-free beaches and swimming pools" campaign for all municipalities in Andalusia
